

QP-LT Vertical Type Labeling Machine

Introduction:

QP-LT Vertical Type Labeling Machine is used in labeling on cylindrical bottles or cylindrical objects. It is controlled by step motor. The operating screen is imported from abroad. Our QP-LT Vertical Type Labeling Machine is with high precision, low mistake and high efficiency. It can also print the schedule of production records and monitor the production automatically when the numerical and Failure Alarm Device connected with printer.

Technical Data:

Bottle Size	Round Bottle
Capacity	60-120bot/min
Precision	$\leq\pm 0.3\%$
Label Length	10-200mm
Label Width	10-80mm
Electricity Power	220V/50Hz
Power	1kw
Weight	250kg
Size	1500×800×1000mm
